**Letter Accompanying Certificate of Correction Applicant's Mistake**

Hon. Commissioner of Patents  
and Trademarks  
PO Box 1450  
Alexandria, VA 22313

Sir:

Patentee recently discovered a clerical error in the above identified patent that was the error of the Applicant. Applicant originally recited the wrong series number of a priority application in the declaration. This mistake resulted in a wrong listing in the priority information section of the issued patent. In the section entitled "Related U.S. Application Data" serial number 08/867,301 should be **07/867,301**. The patent issuing on serial number 07/867,301 is also incorrect. Patent number 5,970,426 should be **5,417,986**.

The change does not constitute new matter or require reexamination. The change was only a clerical typing mistake that was only recently discovered. Favorable consideration and correction is respectfully requested.

Respectfully submitted,
